

## Application for BIOS 401-402 Honors Research

---

---

Name

Email address

---

Expected Graduation Date

Current GPA

Major(s) and minor(s)

---

Proposed Research Advisor/Advisor's Department or Institution

---

Proposed Research Topic

---

Will this research include a summer research experience (e.g., at Rice University, and/or through an NSF Research Experience for Undergraduates)?

---

Brief Description of the proposed research should include specific aims and timeline for the honors research year (can be attached as a separate research proposal):

---

---

---

---

---

---

---

---

---

Previous research experience (professor, dates, institution or department, research topic):

---

Additional materials: Research professor recommendation.

---

*(forms can be returned to the BioSciences Undergraduate Program Coordinator, **George Razzo**, by email to [gr22@rice.edu](mailto:gr22@rice.edu) )*
